

VENUE RIDER

NOBEL

We are looking forward to work with you and provide a memorable experience for the audience, crews and artists. To run the production smoothly and for your safety, we kindly ask you to take a look at our house rider. Any questions or remarks? Our production department is willing to elaborate and is flexible when possible. Please make sure to send your riders to the Nobel production department.

TECHNICAL INFO

TECHNICAL SPECIFICATIONS MAIN HALL / CLUB STAGE

The latest version of our tech specs will be sent to you by our production department.

BACKLINE

We have an in-house backline available. If you want to use our backline, please ask production for the specifications and if the backline is available.

MAXIMUM SOUND LEVEL

Due to Dutch law we are bound to respect a maximum sound level. The maximum sound level is: 103 dBA Leq (15 min.) If there are a lot of children in the venue, the maximum sound level is: 96 dBA Leq (15 min.)

EXTRA OR OWN LIGHTNING

Extra lighting is possible on demand only. These extra costs will be charged. If agreed upon, the fixed lighting can be removed at a rate of 2 lighting engineers for 5 hours, at € 35,- an hour. If you want to use lasers, please ask our technical department in advance what the possibilities are at our venue.

LASERS

If you're using lasers during your show, please let production know in advance. We can give you the details of how to use them safely in our venue and which lasers are possible to use. NEVER use lasers without previous consent, our video projectors need to be protected and your crew knows very well how to use the lights so the audience can enjoy it safely.

MULTITRACK

It is possible to get a multitrack recording of the show. The costs of the recording will be € 50,-.

VIDEO

If you wish to use our video projectors or screens, please contact our technician. Keep in mind that in case you rent the main or club stage, there will be extra costs for the use of our video installation.

CONFETTI/PYRO/DECORATION

The use of confetti is strictly prohibited without permission. When used without permission, a € 250,- cleaning fee will be charged. Confetti streamers are only allowed when agreed upon. When pyro or fire (e.a. candles / torches) is part of your show, please consult our production department.

All decorations need to be safe and made of fireproof materials. We reserve the right to deny any show elements or decor that could cause harm. Always check these matters with our production manager. If the decor has not been approved beforehand, or if it is found not to be fireproof upon arrival, it will not be allowed to be used during production hours.

(FAKE) BLOOD

Please let us know in advance if (fake) blood is part of the show so we can warn the crew and protect the floor and equipment as needed. If this is not discussed upfront, the stage manager has the right to deny its use. Cleaning costs will be charged if damage is caused by misusing the product or ignoring the crew's advice.

PRODUCTION INFO

TIME SCHEDULE

We will provide you with a time schedule. Please read it carefully and confirm the schedule with our production department. If there are any obstructions, please let us know. Please keep in mind that the time schedule cannot be exceeded, due to the Dutch labor laws. If the setup and soundcheck takes longer than 4 hours incl. support, our venue expenses will be raised by € 150,- an hour. Early get ins for dressing room and shower access can be discussed with production.

LOCAL CREWS

Our crews are always willing to help during load in and load out. For large or complex productions, our technical department will assign more stagehands when necessary. Extra stagehands upon the assigned crew can be provided at a rate of € 28,- per hour.

LOCAL CREW MAIN STAGE

- 1 Stage manager
- 1 FOH Engineer
- 1 Mon Engineer
- 1 Lighting Engineer
- 1 Stagehand (Load in/out)

SECURITY

Standard security is provided frontstage. In our backstage, the stagemanager is in charge.

BARRIERS

We do not supply barriers; the Dutch crowd is generally very enthusiastic, but with respect to the artists. The booker and promoter need to agree beforehand if barriers are needed because using barriers will reduce the capacity of the venue.

If you still want to use barriers for your show, please request them well in advance. We will charge a rental fee and a fee to cover the costs associated with reducing the number of tickets sold. If the show is already sold out and the barriers weren't agreed upon upfront, it will not be possible to use them.

ARRIVAL LOADING DOCK / ARTIST ENTRANCE

Loading dock: Lammermarkt 43A, 2312 CM Leiden

Artist entrance: Lange Scheistraat 11, 2312 CR Leiden

Both entrances are situated in a residential area, so please be considerate of our neighbors.

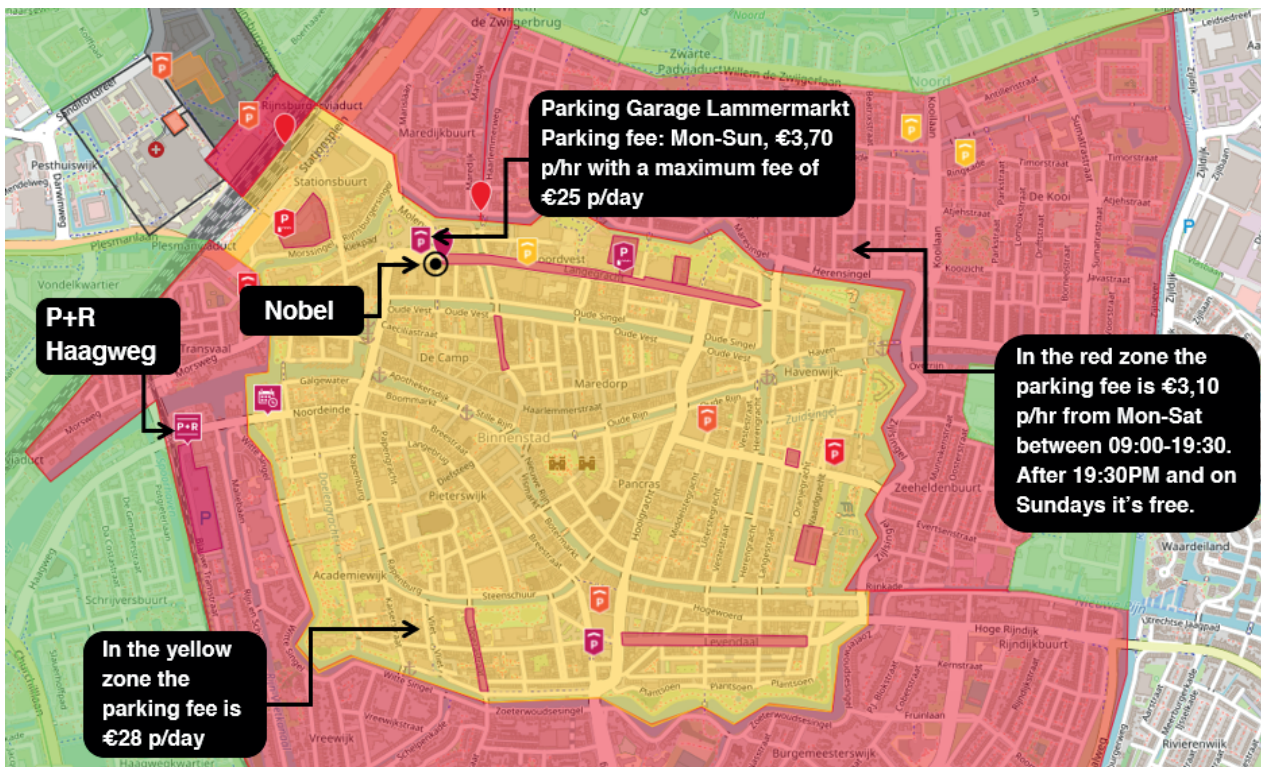

VANS / CARS / TRUCKS / TRAILERS

Our loading dock (situated at: Lammermarkt 43A, 2312 CM Leiden) provides space for one truck or Semi, two splitter vans or four cars. Please make sure there are no engines running during load in or out and don't use the horn inside of the loading dock.

DIMENSIONS LOADING DOCK

Length: 18 Meters / Width: 2.80 Meters / Height: 4.10 Meters

PARKING INFO

We do not always have parking permits or parking space in the loading dock for (all) cars. Our staff will be happy to show you where to park and how to refund your parking fee (if this has been agreed upon in the contract). Generally, we refund a maximum of 2 cars. If possible, we recommend carpooling. If agreed upon beforehand, Nobel covers the parking costs for vehicles parked at Haagweg. The shuttle busses of the Haagweg parking lot will drop you off at a location of your choice in the city centre of Leiden. If you want to go to our venue, just ask the driver to drop you off at Nobel or Museum Lakenhal (not all drivers know our location). They also have a pick-up service until 12PM / 00:00. Just ask the stagemanager to call the pick-up service 15 minutes in advance, so the shuttle bus will arrive on time.

- 1 single-phase 16A 230V CEE Form
- 1 triple phase 32A 380V CEE Form

HOSPITALITY

SUSTAINABLE BACKSTAGE

Nobel is very committed to produce events in a more sustainable way. To be more sustainable, we try to reduce disposable plastics and reuse products that haven't been opened. Instead of bottles of mineral water, you'll find water jugs in your dressing rooms and we encourage using reusable water bottles. We recycle our waste and try to reduce food waste as well. Please give the production department a heads-up if the travel party is different than expected, or if some non-lasting products aren't necessary for show day, so that we can prevent waste together.

ZERO TOLERANCE HARRASMENT POLICY

Nobel wants to create a safe environment for artists, staff and audience, where all are treated with dignity and respect. All forms of bullying and harassment will not be tolerated. We take a zero-tolerance approach to all forms of prejudice, harassment, bullying, racism, discrimination or hate crimes of any kind. This will not be tolerated in behavior, but also has a creative aspect, as we will not accept music to be played with lyrics that are sexist, racist or homophobic. By performing at our venue, you agree to comply with these terms.

DRESSING ROOMS

There are 5 dressing rooms and a green room available for artists. There are 2 bathrooms with showers, a laundry machine and dryer available for use. If needed, it is possible to use a dressing room as a production office. Please check the availability in advance with our production department.

CATERING

Nobel has standard **vegetarian** backstage catering. Both lunch and dinner will be vegetarian, even if your rider mentions a number of carnivores or omnivores. Our caterer delivers good and healthy meals for artists and crew. Please let the production department know if you have any additional dietary wishes or restrictions, so they can take this into account.

HOSPITALITY RIDER

Please send us your hospitality rider in advance so we can try to provide your needs as good as possible. If you do not have a hospitality rider, we offer you our standard dressing room catering (some beers, softdrinks & snacks). We do not provide drugs, cigarettes or lottery/scratch cards.

SMOKING

Smoking in venues is prohibited by law throughout the Netherlands. This includes stages, dressing rooms and public areas. Smoking in prohibited areas could result in us losing our license. However, we do have a designated smoking area, where smoking is allowed. If you want to smoke, our staff will gladly show you the smoking area.

RESIDENT DJ'S

Nobel will provide a concert DJ during concert nights. Please notify our production department in case you have special requests or restrictions for the DJ, or if you don't want our DJ playing music before and after the show.

ATTENTION! In the Netherlands, it's not allowed to use Spotify at a public venue. That's why we use the streaming platform 'Soundtrack Your Brand'. It's possible to import a Spotify playlist into our Soundtrack Your Brand account to use during the show. In this case, make sure you send your playlist one day before the show, so we can prepare everything in advance.

MERCHANDISE / PIN ONLY VENUE

Nobel can provide a well-lit, large table for merchandise. Please note that we are a pin only venue at the bars and ticket box. Therefore, we have no cash in stock. If you're accepting cash for the merchandise, please make sure you bring enough change and inform our production department, so we can inform visitors to bring cash. If you have the chance to inform fans as well, please do so. Please do not send merch to our venue without prior approval from the production manager. Unexpected deliveries will not be accepted.

BACKSTAGE / CREW LIST

- Guests are not the same as crew. Guests cannot enter the backstage. Please provide a backstage/crew list that consists of working crew in consultation with our promoter & production manager.
- If any of the guests or backstagecrew are disrespectful or on our blacklist, they can be removed from the backstage.
- In case of a minor, artist or guest, we expect them to be accompanied by a responsible adult.
- As the backstage is a shared area, we do not allow after parties.
- Our standard dressingroom curfew is 1hr after show. The dressingroom curfew for support acts is until the end of the headliners set. If you'd like to have more time, please ask production in advance.

PHOTOGRAPHY

Please note that we usually have in-house photographers at our concerts. If there are any restrictions for our photographer(s) or if you don't want our photographer taking photos during the show, please contact our production department.
